### **About This Content**

Grip it and rip it with the new DLC, VR Sports - Golf! Get your daily dose of iron here and wash it down with a nice refreshing Arnold Palmer. With VR Sports - Golf, you feel as if you're on the fairway yet don't have to worry about chasing the golf ball(s) into the woods. Sure, you're inside wearing a VR headset and not in Augusta, but until you get your green jacket, this will have to do.

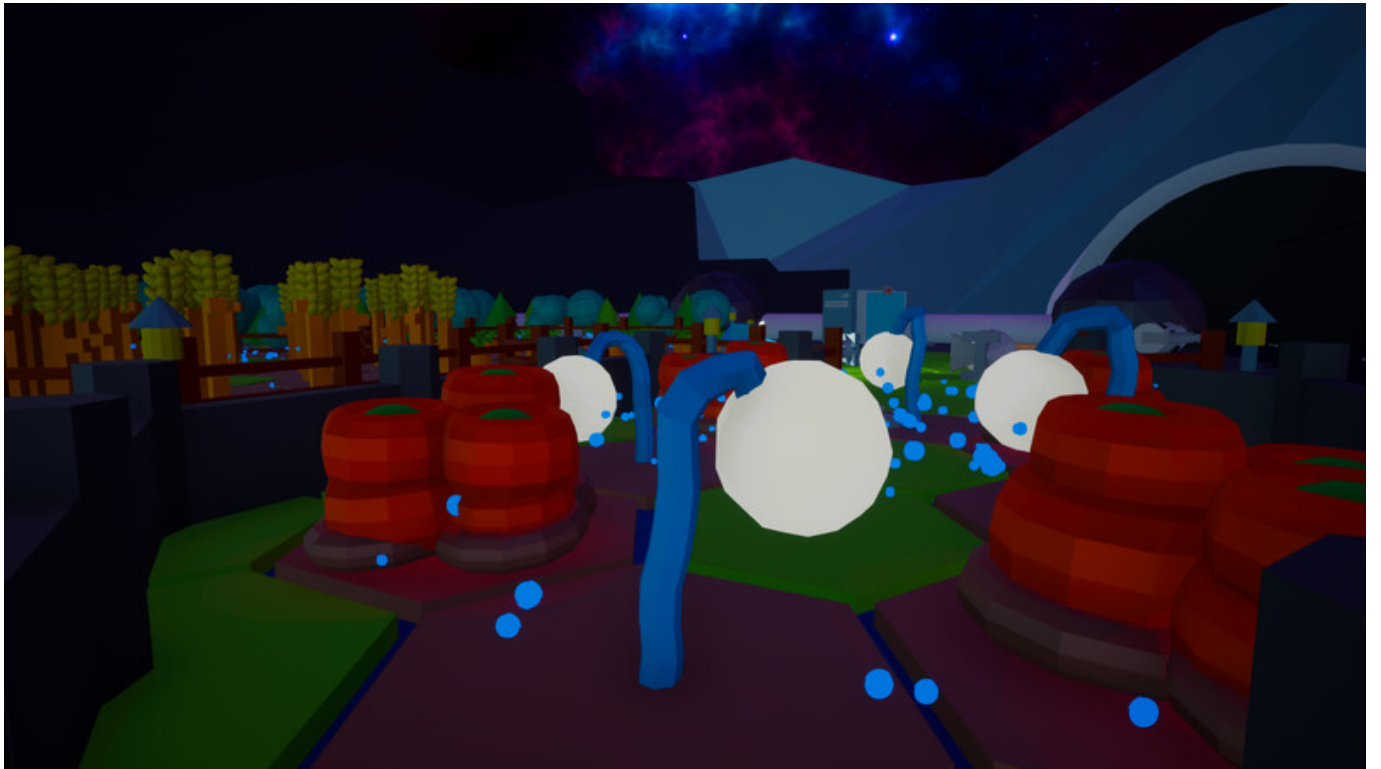

\*Bob Barker fight not included in this DLC\*
